

Dear Friends:

Thank you for your interest in becoming a Host Family to a child living at Boys & Girls Harbor.

Every year, Boys & Girls Harbor helps hundreds of children who are victims of abuse, poverty, neglect and abandonment. The Harbor takes these children from abuse to achievement, giving them a stable environment filled with hope, warmth and love.

The Harbor is their home. The children live in cottages with house parents. They attend public school, and participate in after-school programs and extra-curricular activities. Through its programs, the Harbor helps children learn to overcome self-destructive patterns, break cycles of abuse, develop social skills, learn responsibility, and work towards becoming healthy, happy and productive members of society.

Seventy-five percent of the Harbor's kids are on the honor roll at school. Many of them go on to obtain vocational, junior college and college degrees. All lead happier, more productive lives. The Harbor is doing great work in a community that needs it most, but to continue these successes, **we need your help!**

As a Host Family, you will "host" a Harbor child in your home every other weekend and during holidays. The premise of the program is to allow our kids the chance to experience all of the things that families do together – going to a sporting event, barbecuing in the backyard, attending church. These weekends give our children the opportunity to spend time away from the campus, be with others, and participate in community activities.

We encourage you to come and meet a child who just needs a chance. A chance to see that life does not have to be filled with sadness and tears from violence, drugs or poverty. A chance to experience first hand the strength of a true family dynamic. A chance to succeed.

Thank you for your consideration. For more information on how to become a Host Family, please call 281-471-9622, or complete the following information and mail or fax to the address on the form.
